

# M-KOPA STANDARD PURCHASE ORDER TERMS AND CONDITIONS

The following Standard Purchase Order Terms and Conditions (“Terms”) only apply to transactions that do not have a valid written agreement, duly executed by both parties. If there is such an agreement, then these terms shall be the terms that govern the transaction and relationship of the parties and these Terms shall have no effect.

In the absence of such valid written agreement, duly executed by both parties, then these Terms provide you (“**Seller**”) with the guidelines and legal stipulations of your purchase order (“**Order**”) with the relevant M-KOPA Group entity (**as applicable, the “Purchaser”**) for the goods and/or services that are described on the face of the Order. The M-KOPA Group consists of M-KOPA Holdings Limited and each of its direct and indirect subsidiaries including M-KOPA Kenya Limited, M-KOPA Uganda Limited, M-KOPA Solar Tanzania Limited, M-KOPA Hong Kong Limited, M-KOPA Ghana Limited and M-KOPA Solar Nigeria Limited.

## 01. Acceptance and Terms & Conditions

Seller accepts this Order and any amendments by signing the acceptance copy of the Order and returning it to Purchaser promptly. Even without such written acknowledgement, Seller's full or partial performance under this Order will constitute acceptance of these Terms. By acceptance of this Order, Seller agrees to be bound by and to comply with all these Terms, which include any supplements to it, and all specifications and other documents referred to in this Order. These Terms apply to everything listed in this Order and constitute Purchaser's offer to Seller, which Purchaser may revoke at any time prior to Seller's acceptance. This Order is not an acceptance by Purchaser of any offer to sell, any quotation, or any proposal. Reference in this Order to any such offer to sell, quotation, or proposal will not constitute a modification of any of these Terms. Terms and conditions different from or in addition to these Terms, whether contained in any acknowledgement of this Order, or with the delivery of any goods or services under this Order, or otherwise, will not be binding on Purchaser, whether or not they would materially alter this Order, and Purchaser hereby rejects them. These Terms may be modified only by a written document signed by duly authorized representatives of Purchaser and Seller.

## 02. Default

Time is of the essence of this Order. Purchaser may write a notice of default to Seller to (a) terminate all or any part of this Order if Seller fails to perform, or so fails to make progress as to endanger performance of this Order in accordance with its terms, and does not cure such failure within a period of ten (10) days (or such longer period as Purchaser may authorize in writing) after receipt of notice from Purchaser specifying such failure; and (b) procure, on such terms as it will deem appropriate, goods or services similar to those so terminated. Seller will continue performance of this Order to the extent not terminated and will be liable to Purchaser for any excess costs for such similar goods or services.

As an alternate remedy, and in lieu of termination for default, Purchaser, at its sole discretion, may elect to extend the delivery schedule and/or waive other deficiencies in Seller's performance, in which case an equitable reduction in the Order price will be negotiated. If Seller for any reason anticipates difficulty in complying with the required delivery date, or in meeting any of the other requirements of this Order, Seller will promptly notify Purchaser in writing. If Seller does not comply with Purchaser's delivery schedule, Purchaser may require delivery by the fastest way and charges resulting from the premium transportation must be fully prepaid and absorbed by Seller. The rights and remedies of Purchaser provided in this Section 2 will not be exclusive and are in addition to any other rights and remedies provided by law, at equity or under this Order.

## 03. Price

This Order must not be filled at a price higher than shown on the face of the Order. If no price is set forth on the front of the Order, the goods or services will be billed at the price last quoted or at the prevailing market price, whichever is lower, and, in any event, goods and services ordered under this Order will not be billed at a higher price than last quoted or charged without Purchaser's specific written authorization. The purchaser will be entitled at all times to set off any amount owed at any time by Seller or any of its affiliates to Purchaser or any of its affiliates against any amount payable at any time by Purchaser in connection with this Order. No extra charges of any kind will be allowed unless specifically agreed to in writing by the Purchaser. All applicable taxes arising out of transactions contemplated by the Order will be borne by Seller except as otherwise specified by the parties in writing. If Seller reduces its prices for such goods and/or services during the term of this Order, Seller shall correspondingly reduce the prices of goods and/or services sold thereafter to Purchaser under this Order.

## 04. Invoices, Payment and Taxes

- Invoices shall be rendered on completion of services or delivery of goods and shall contain the Purchase Order Number, item number, description of goods or services, quantities, unit prices, date(s) rendered, total purchase price and applicable taxes, including VAT. Each invoice must refer to one, and only one, purchase order.
- Payment shall be made on the terms of 100% net 30 calendar days from the date of receipt of a correct invoice. Discounts shall be separately stated on the invoice. Cash discount periods shall be computed from either the date of actual delivery of the goods or the date an acceptable invoice is received, whichever is later. All claims for money due or to become due from Purchaser shall be subject to deduction by Purchaser for any setoff or counterclaim arising out of this or any other of Purchaser's Orders with Seller.
- When the work commissioned under this Order is to be paid for on an hourly rate basis, daily time sheets, unless otherwise agreed, shall be certified by authorized Purchaser personnel and attached to the invoice. The timesheets shall be originals or copies with an original signature. If subcontractors are used, a copy of their invoices shall always accompany the invoice issued to the Purchaser.
- Payment of an invoice does not preclude Purchaser from filing complaints about work which proves not to have been properly performed. Purchaser, at its sole discretion, may not affect any payment unless proper documents are submitted by Supplier.

## 05. Packaging

All goods must be packaged in the manner specified by Purchaser and shipped in the manner and by the route and carrier designated by Purchaser. If Purchaser does not specify the manner in which the goods must be packaged, Seller shall package the goods so as to avoid any damage in transit. If Purchaser does not specify the manner of shipment, route, or carrier, Seller shall ship the goods at the lowest possible transportation rates, consistent with Seller's obligation to meet the delivery schedule set forth in this Order

## 06. Inspection

All goods and services will be subject to inspection and test by Purchaser at all times and places, including the period of manufacture and in any event prior to final acceptance. Final acceptance or rejection of the goods or services will be made promptly and practicable after delivery except as otherwise provided in this Order, but failure to inspect and accept or reject goods or services or failure to detect defects by inspection, will neither relieve Seller from responsibility for such goods or services as they are not in accordance with this Order nor impose liabilities on Purchaser for them. Purchaser's payment for the goods shall not constitute its acceptance of the goods. Goods rejected and goods supplied in excess of quantities ordered may be returned to the Seller at Seller's expense. Payment, if any, made for any goods rejected hereunder shall be promptly refunded by Seller. Seller will provide and maintain an inspection and process control system acceptable to Purchaser covering the goods and services ordered. Records of all inspection work by Seller will be kept complete and available to Purchaser during the performance of this Order and for seven (7) years after Seller's completion of this Order. If any of the goods or services are found at any time to be defective in material or workmanship, or otherwise not in conformity with the requirements of this Order, including any applicable drawings and specifications, then Purchaser, in addition to such other rights and remedies it may have by contract or by law or equity, at its sole discretion may reject and return such goods at Seller's expense, require Seller to inspect the goods and remove nonconforming goods and/or require Seller to replace nonconforming goods or services with conforming goods or services. If Seller fails to make the necessary inspection, removal, and replacement in a time and manner satisfactory to Purchaser, Purchaser may at its option inspect and sort the goods; Seller will pay any related costs.

## 07. Warranties

### **Seller represents and warrants that:**

- All goods and services are free of any claim of any nature by any third person and that Seller will convey clear title to Purchaser.
- All services are performed in a manner acceptable in the industry and in accordance with generally accepted standards, are free from all defects, are fit for the particular purposes for which they are acquired, and are provided in strict accordance with the specifications or other requirements (including performance specifications) approved or adopted by Purchaser.
- All goods sold will be of merchantable quality, free from all defects in design, workmanship and materials, and fit for the particular purposes for which they are purchased and that the goods and services are provided in strict accordance with the specifications, samples, drawings, designs or other requirements (including performance specifications) approved or adopted by Purchaser.
- The prices for the goods or services sold to Purchaser under this Order are not less favourable than those currently extended to any other customer for the same or similar goods and/or services in equal or lesser quantities.
- Seller shall not act in any fashion or take any action that will render Purchaser liable for a violation of any applicable anti-bribery legislation (including without limitation, the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act 2010 and the Kenya Bribery Act 2016), which prohibits the offering, giving, or promising to offer, give or receive, directly or indirectly, money or anything of value to any third party to assist it, them or Purchaser in retaining or obtaining business or in procuring the goods or services. Purchaser's inspection, test, acceptance, or use of the goods shall not affect Seller's obligations under these warranties. Seller shall replace or correct, at Purchaser's option and at Seller's cost, defects of any goods not conforming to these warranties. If Seller fails to correct defects in or replace nonconforming goods within ten (10) days from the date the Purchaser notifies Seller of the defect or defects, Purchaser may, on ten (10) days prior write a notice to Seller, either:
  - i) Make such corrections or replace such goods and charge Seller for all costs incurred by Purchaser.
  - ii) Revoke its acceptance of the goods in which event Seller shall be obligated to refund the purchase price and make all necessary arrangements, at Seller's cost, for the return of the goods to Seller. All warranties of Seller herein or that are implied by law shall survive any inspection, delivery, acceptance, or payment by Purchaser. Any attempt by Seller to limit, disclaim, or restrict these warranties or any remedies of Purchaser, by acknowledgement or otherwise, in accepting or performing this Order, will be null, void, and ineffective without Purchaser's written consent.

## 08. Indemnification

Seller shall indemnify and hold Purchaser and its affiliates and its affiliates' directors, officers, employees and agents harmless and, on Purchaser's request, shall defend each of them from and against any or all third party claims, demands, litigation, or proceedings of whatever kind, whether based upon negligence, breach of express or implied warranty, strict liability, infringement of intellectual property rights, or any other theory, and from and against all direct, indirect, special, exemplary, incidental or consequential damages of every kind whatsoever, arising out of, by reason of, or in any way connected with the goods and/or services, the design, manner of preparation, manufacture, construction, completion, or delivery or non-delivery of any goods and/or services by Seller, any breach by Seller of any of its obligations hereunder, or any other act, omission or negligence of Seller or any of Seller's employees, workers, servants, agents, subcontractors, or suppliers. Seller shall, on request, pay or reimburse Purchaser or any other party entitled to indemnification hereunder for all costs and expenses, including attorneys' fees, as incurred by Purchaser or such other party in connection with any such claim, demand, litigation, proceeding, loss, or damage.

In addition, for infringement claims, Seller will, at its own expense and at Purchaser's option, either procure for Purchaser the right to continue using the allegedly infringing item, replace it with a non-infringing equivalent, or remove it and refund the purchase price and transportation and installation costs thereof.

## 09. Limitation of Liability

Purchaser's aggregate liability arising from or relating to this order is limited to the amount paid by purchaser for the goods and/or services. To the maximum extent allowable under applicable law, purchaser shall not be liable under this order for any special, incidental, consequential, indirect, or punitive damages including, without limitation, lost revenues even if purchaser has been advised of the possibility of such damages.

## 10. Purchaser's Property

Tangible or intangible property of any nature furnished to Seller by Purchaser or specifically paid for in whole or in part by Purchaser, and any replacements or attachments, are the property of Purchaser and, unless otherwise agreed in writing by Purchaser, will be used by Seller solely to render services or provide goods to Purchaser. Seller will not substitute any property or take any action inconsistent with Purchaser's ownership of such property. While in Seller's custody or control such property will be held at Seller's risk, will be kept insured by Seller at its expense for its replacement cost with loss payable to Purchaser, and will be subject to removal at Purchaser's written request, in which event Seller will prepare such property for shipment and redelivery to Purchaser in the same condition as originally received by Seller, reasonable wear and tear excepted, all at Seller's expense.

## 11. Changes

At all times Purchaser will have the right to make changes to this Order, including changes to drawings, designs, configurations, specifications, quantities, methods of shipment or packing and delivery schedules or location of delivery. If any such changes cause an increase or decrease in the cost of or the time required for the performance of any work under this Order, an equitable adjustment will be made in the contract price or delivery schedule, or both, and this Order will be modified in writing accordingly. Nothing in this Section, including any disagreement with Purchaser as to any claimed adjustment, will excuse Seller from proceeding with this Order as changed. Any claim by the Seller for adjustment under this Section 11 must be in a detailed writing and delivered to Purchaser within five (5) days after the date Seller receives notification of change. Any change will be authorized only by a duly executed amendment to this Order. Information, such as technical information or guidance provided to Seller by representatives of Purchaser, will not be construed as a change within the meaning of this Section. If Seller considers that the conduct of any of Purchaser's employees has constituted a change under this Order, Seller will immediately notify Purchaser's Central Procurement Office, in writing, as to the nature of the change and any proposed adjustment, which will then be subject to this Section 11.

## 12. Compliance with Laws

Seller represents and warrants that it is in compliance with and all goods and/or services supplied hereunder have been produced or provided in compliance with the applicable provisions of all national, supranational, federal, state, local laws or ordinances and all related lawful orders, rules and regulations. Seller shall comply with any provisions, representations, or agreements, or contractual clauses required to be included or incorporated by reference or operation of law in any Order. Seller shall be required to obtain and pay for any license, permit, inspection or listing by any public body or certification organization required in connection with the manufacture, performance, completion or delivery of any good and/or service.

## 13. Anti-Corruption and Fraud & Tip-offs

All Seller actions related directly or indirectly to the performance of this Order will comply with all applicable anti-corruption laws. Accordingly, Seller will not offer, promise, or provide any payments, loans, gifts of money, or anything of value to secure an improper advantage or for a corrupt purpose as described in applicable law. The Purchaser has a zero-tolerance policy for corruption, bribery, facilitation payments, fraud, misappropriation of company assets or any other forms of illegal behaviour. The Seller agrees to notify the Purchaser directly at [compliance@m-kopa.com](mailto:compliance@m-kopa.com) or through the Purchaser's Whistleblowing hotline which is managed by an independent third party by emailing [M-KOPA@tip-offs.com](mailto:M-KOPA@tip-offs.com) or by using [www.tip-offs.com](http://www.tip-offs.com) for any known or suspected violations of any of the aforementioned.

## 14. Confidential or Proprietary information

Notwithstanding any document marking to the contrary, any knowledge or information that the Seller has disclosed or may later disclose to Purchaser, and which in any way relates to the goods or services covered by this Order will not, unless otherwise specifically agreed to in writing by Purchaser, be deemed to be confidential or proprietary information, and will be acquired by Purchaser, free from any restrictions. Seller will not transmit to Purchaser any sensitive personal information, including, but not limited to, identified health information, financial information, social security numbers, biometrics or other personally identified or identifiable information of sensitivity. Seller will keep confidential any information disclosed from the Purchaser including but not limited to technical, process, economic, or other information derived from drawings, specifications and other data furnished by Purchaser in connection with this Order (in whatever form or format) and will not divulge, export, or use, directly or indirectly, such information for the benefit of any other party without obtaining Purchaser's prior written consent. Except as required for the efficient performance of this Order, Seller will not use such information or make copies or permit copies to be made of such drawings, specifications, or other data without the prior written consent of Purchaser. If any reproduction is made with prior consent, this notice will be provided. Upon completion or termination of this Order, Seller will promptly return to Purchaser all materials incorporating any such information and any copies, except for one record copy. Seller agrees that no acknowledgement or other information concerning this Order and the goods or services provided will be made public by Seller without the prior written agreement of Purchaser.

## 15. Patents and Data

All records, software, files, data, reports, information, work product, notes, plans, strategies, intellectual property and other information provided by Purchaser or prepared or developed by or for Purchaser pursuant to this PO ( "Work Product") is the property of the Purchaser and constitutes works made for hire under applicable law. Seller assigns all intellectual property rights in the Work Product to the Purchaser and agrees to complete any documents requested by the Purchaser to perfect its ownership in the Work Product. Seller waives all moral rights related to the Work Product. Seller grants to the Purchaser an unlimited, nonexclusive license to use, copy, modify or create derivative works of any materials delivered to the Purchaser which are developed prior to or outside of this Order. All materials, equipment and other information supplied to Seller by the Purchaser will remain the property of Purchaser and be returned to the Purchaser when no longer needed by Seller in the provision of services or goods and in any event upon the expiration or earlier termination of this Order.

## 16. Work on Purchaser's premises

If Seller's work under this Order requires Seller to be on the premises of Purchaser or at Purchaser's direction, Seller will take all necessary precautions to prevent any injury to persons or damage to property, including following any rules, procedures or other requirements of Purchaser.

## 17. Insurance

Seller will secure and maintain insurance providing sufficient coverage to comply with its obligations and duty to indemnify as required under this Order. Within five (5) days of receipt of a request from the Purchaser, Seller agrees to provide the Purchaser with a certificate of insurance evidencing the Seller's insurance coverages.

## 18. Termination

Purchaser may terminate all or any part of this Order for convenience at any time by written notice to Seller. Upon such termination, Purchaser's liability will be limited to reasonable termination charges mutually agreed by Seller and Purchaser, provided that Seller must specify any proposed charges in writing within fifteen (15) days after termination. This Order shall terminate automatically, without notice, if Seller becomes insolvent or the subject of any proceeding under the laws relating to bankruptcy or the relief of debtors.

The responsibility for freight damaged merchandise will be assumed by Seller. No charges for unauthorized transportation will be allowed.
